University of Arizona, Eller College of Management

Tucson, AZ

Bachelor of Science in Business Administration

Expected Graduation: May 2028

Majors: Business Economics & Entrepreneurship **Minors:** Personal & Family Financial Planning (PFFP), Nutritional Sciences

GPA: 3.8 **Relevant Coursework:** Personal & Family Financial Planning, Applied Microeconomics

EXPERIENCE

Personal Trainer

May 2023 – August 2025

EOS Fitness — Gilbert, Arizona

- Built trusted one-on-one advisory relationships with a wide range of clients, tailoring long-term plans to each person's goals, constraints, and motivations.
- Guided clients through behavioral change, keeping them disciplined toward long-term goals when short-term emotion said to quit — the same trust and accountability that anchor client advisory.
- Translated complex physiological and nutritional concepts into simple, actionable guidance clients understood and trusted over a two-year tenure.

VENTURES & PROJECTS

Lead Sweep — Founder & Operator

March 2026 – Present

Appointment brokerage for local home-services businesses — Gilbert, Arizona

- Founded and run an appointment brokerage that books qualified jobs for local home-services companies, owning the full pipeline from lead generation to scheduling and follow-through.
- Manage outreach, pricing, and client relationships end to end, converting cold prospects into recurring revenue.

ICON — Founder

May 2025 – Present

Sports-apparel venture · collegiate licensing (NCAA / NIL)

- Ran independent market and licensing research and built a full investor pitch deck from scratch for a concept that turns iconic sports moments into wearable, jersey-based art.
- Pitched in person to an NBA licensing group in Connecticut; when the pro route closed, redirected to the NCAA / NIL market and am now pursuing collegiate licensing rights with the University of Arizona — earned the first meeting through two months of persistent outreach.

Gifted — Founder & Developer

May 2026 – Present

Interactive affiliate-commerce platform · target launch September 2026

- Designed an incentive- and margin-optimization model that weights product mix toward higher-commission categories over thin-margin segments — applied microeconomics in a live system.
- Built the full interactive 3D front end (React, TypeScript, Three.js / React Three Fiber) using AI tools end to end, paired with a risk-sequenced, multi-year launch roadmap.

LEADERSHIP & INVOLVEMENT

Phi Gamma Delta Fraternity

University of Arizona

New Member Educator

Spring 2025 – Fall 2026

- Designed and facilitated personal and professional development workshops for new member classes, building habits of growth, conduct, and accountability.
- Planned and executed brotherhood and chapter-relations events across two semesters, strengthening member engagement and retention.
- Selected to represent the chapter at the Fiji Academy — Phi Gamma Delta's national leadership conference in St. Louis — among delegates from 100+ chapters nationwide.

Scholarship Chairman

Spring 2024 – Fall 2025

- Delivered presentations to new member classes on academic organization and study techniques, and led LinkedIn and professional-networking sessions to build early career readiness.
- Researched and reported new scholarship opportunities to the chapter, expanding members' access to funding.

HONORS & AWARDS

- DECA — 1st Place, Financial Services Team Decision Making, Arizona State Championship, 2023 (two-person team event).
- 2x Dean's List with Distinction, 3x Sands Scholarship Recipient
